Dear City/County/Subregional COG Planning Directors:

Almost six years ago, to expand services to our members, SCAG released the inaugural Local Profile Reports at its General Assembly in May 2009, after extensive input from the local jurisdictions. Since that time we have gotten positive feedback from many of our local jurisdictions, and released updates in 2011 and 2013.

**At this time, we are requesting that you review the 2015 Draft Local Profile Report for your jurisdiction.** Your draft local profile report can be accessed at <http://www.scag.ca.gov/2015DraftLocalProfiles>. Profiles Reports are organized by counties and then by cities in alphabetical order. **We would appreciate that you e-mail us any of your comments to [localprofiles@scag.ca.gov](mailto:localprofiles@scag.ca.gov) by March 25, 2015.** Final profile reports are scheduled for release at the SCAG General Assembly on May 7-8, 2015 and will then be posted on SCAG website ([www.scag.ca.gov](http://www.scag.ca.gov)).

While the vast majority of data is based on official public data source, I would like you to review prior to the final release. Please note that cover photos are provided from local jurisdictions. In addition, we also recognize there are some formatting matters that SCAG staff may continue to enhance.

Thanks in advance for your timely review and comment. We also look forward to having you join us at our 2015 SCAG Regional Conference & General Assembly during May 7-8, 2013 in Palm Desert, CA (see <http://www.scag.ca.gov/ga2015> for further information).

Should you have any questions, please feel free to contact SCAG staff with the same e-mail address below:
